for children
with disability

Free online workshop

Teens and Beyond

A three-part online workshop series for families of young people aged 13+

This workshop is for parents and carers of children with disability who want to build their knowledge and skills to navigate the teenage years with confidence.

Each workshop covers a different topic over three weeks.

The future doesn't have to be scary. There are real options and possibilities.

What to expect

- A welcoming space designed for parents and carers of children with developmental delay and disability
- Led by experienced facilitators who bring understanding and lived experience
- Delivered online via Zoom
- Let us know if you have any accessibility needs

Learn about

- Financial support
- School and post-school options
- Future planning
- Wellbeing: friendships, communication, behaviour support and good mental health
