

Recreational Fishing Licence

Eligible concession card holders can get their recreational fishing licence for free.

Junior and senior fishers can boost their fishing passion with the introduction of free Recreational Fisher Cards.

The cards help to inspire stewardship and a connection to recreational fishing for groups not required to hold a fishing licence.

[Click here to request a free Recreational Fisher Card](#) through the Service Victoria portal.

People under the age of 18, or over 70, are exempt from the need to hold a Recreational Fishing Licence in Victoria.
