

Uniting Kinship Carer Group 2026

You're
invited

Are you a Grandparent, Aunt, Uncle, Brother, Sister, Cousin or another 'Special Person' caring for a young person? Do you care for your grandchild, niece, nephew, brother or sister in either a formal (court-ordered) or informal arrangement?

You are invited to come along and meet others in a similar situation, in a safe, welcoming and confidential environment where you can connect, share experiences and learn from one another. As the saying goes, "A problem shared is a problem halved."

We meet monthly at the **Uniting Pakenham Office - Level 2, 50 Station Street, Pakenham 3810. From 10:30am - 12.30pm.** 2 hours of friendly banter. Sometimes we may have a guest speaker attending. Come along and see if this is something that could help you with your sometimes challenging, caring role.
