

This is a service KCV has wanted to see for sometime. It is of particular help to many kinship families

**IF RE-ELECTED IN NOVEMBER...
LABOR WILL DELIVER FREE DENTAL CARE FOR EVERY
VICTORIAN**

It will be an Australian first. And it will help 100,000 Victorians every year get the dental care they need.

Because Medicare doesn't cover dental, tens of thousands of Victorians simply can't afford to see a dentist.

People are ending up in hospital because a dental problem went untreated for too long. And at least 30,000 Victorians a year pull money out of their superannuation just to pay for dental work.

Getting the healthcare you need shouldn't mean reaching for your credit card. So we're changing it.

We'll open 10 free Public Dental Clinics across Melbourne and regional Victoria, in the places where the gaps are worst. They'll work like the Medicare Urgent Care Clinics. You turn up, and you get the care you need.

This is the first announcement of the campaign, and it's all about our plan to fight for working people. So let's get out there and fight for it.
